

Spanish 2 – Cuando Eramos Niños - Assessment Project

You will write and illustrate a children's book. The theme of the book is your choice, but the vocabulary and grammar we have recently studied is about being a child and family gatherings. These themes may make for an easier story to write. The requirements for this project are –

- 20 sentence minimum
- You must use the preterit and imperfect throughout the entire story.
- You must include at least 10 words from this unit.
- You must illustrate the book.
- The rough draft is due on your block day, April 8th or 9th. I plan to review your writing with you on this day; if you don't have your rough draft, you will lose your chance to review your story with me. I will not review any of your work after this day.
- You must have 3 peers evaluate your story. They must read it and write 2 original sentences on your rough draft. One sentence should be a place where you need to improve or a question that they have. One sentence needs to be a positive aspect that they see in your book.
- The final copy is due on your block day, April 15th or 16th.
- You will have most of April 6th and 7th to work on this project in class.
- You will be graded using the writing rubric that we normally use in class.
