

Work day – Feb 18 or 19th

Due – Feb 23rd

You will write either 6 or 10 sentences about your day yesterday. You must draw one picture to accompany each sentence. In groups of 4, you will tell your group about your day. You may not read off of your paper, only speak to the group. After the group discussions, you may rewrite your paragraph before turning it in.

Words that signal the use of the preterit:

Ayer	Yesterday
Anoche	Last Night
*Hace + time	Ago
El sábado pasado	Last Saturday
Ayer por la mañana ...por la tarde ...por la noche	Yesterday morning ...afternoonevening

Example:

Ayer fue un día **espléndido**. Yo me desperté a las diez y media porque no tuve que ir a la escuela. Mi esposo preparó un buen desayuno de huevos revueltos, tocino y jugo de naranja. Después de comer, él y yo fuimos al parque para caminar. Mi esposo tuvo que trabajar a las dos de la tarde así que yo fui a la casa de mi amiga para almorzar. Antes de salir para su casa, yo limpié el suelo porque mi gato estuvo enfermo y vomitó en el suelo. ¡Qué asco!
